medical journalism exposing fact pdf
Journalism refers to the production and distribution of reports on recent events. The word journalism applies to the occupation, as well as citizen journalists using methods of gathering information and using literary techniques. Journalistic media include print, television, radio, Internet, and, in the past, newsreels. Concepts of the appropriate role for journalism vary between countries.

Exposing the climate geoengineering cover-up. With all the above information considered (along with other geoengineering studies and solar radiation management reports drafted by Douglas MacMartin), the dialog shown below becomes very relevant. It is a full transcript of my very recent communications with Douglas MacMartin in which he compares "believing" that geoengineering is already ...

Suicide, homicide, physician-assisted suicide, violence (including domestic violence and gun violence), sudden death (from accidents and otherwise), dementia and other forms of lingering illness -- complex and difficult endings may bring complicated losses and complicated grief.

Difficult endings - DYING, SURVIVING, OR AGING WITH GRACE
The picture painted here is a sobering one, particularly for governments, investors and humanitarian organisations that cannot avoid working in such countries.
